Tropilex® Hanging Chair 'Egg'

Tropilex® Hanging Chair with stand 'Egg'

Assembly instructions for hanging chair stand

Before you can start relaxing you have to invest 10 minutes of time and some sweat to assemble the hanging chair stand. We are sorry for that. 😊

Take a look at the parts list...

Now let's put it together...

Cleaning & Maintenance

Of course you want to enjoy your hanging chair and stand as long as possible. That's why we advise you to store it dry in autumn/winter and protect it from extreme weather.

Cleaning

The cleaning of the hanging chair and / or stand can be done just with a mild soapy water. Do not use a high-pressure cleaner! This will damage the paint.

Maintenance

Sometimes rust can occur on the stand. Often this surface is rust or fly rust and not harmful. To remove scratches you can buy a scratch repair pencil at the local DIY store.

Important notices

Familiarise yourself with the product before using it for the first time. In addition, please carefully refer to the operation instructions and safety advice below. Only use the product as instructed and only for the indicated field of application. Keep these instructions in a safe place. If you pass the product on to anyone else, please ensure that you also pass on all the documentation with it.

Intended use

This stand is suitable for hanging chairs. Use it with a hanging chair as a sitting surface for adults and youngsters aged 12 year and up. Do not exceed the maximum weight capacity. This product is intended for personal use only, not for commercial use.

Safety notice

This item is not a toy. Please keep out of the reach of children.

The stand and hanging chair must be assembled by adults. Improper assembly may result in risk of serious injury.

No liability is assumed for accidents due to improper use and failure to observe these safety instructions.

Before you lie down

Regularly check the bolts and nuts to ensure they are still tight enough. By rocking or regularly (dis)assembling, they can become loose.

Inspect the hanging chair for wear and friction damage to the surface of the ropes and any connectors. Never use a damaged hanging chair or stand.

Always sit in the middle of the hanging chair before you slowly sit in. Never sit down at the edges because the stand can tip over.

Gently rocking in your hanging chair is possible with this hanging chair-stand. But never do it too wild because the stand can tip over. Maximum oscillating range is 5°.

Warranty

The warranty for this product is 1 year from the date of purchase. Should this product show any fault in materials or manufacture within 1 year we will repair or replace it. The warranty applies to defects in material or manufacture. This warranty does not cover product parts subject to normal use or weather.
